

IT'S ALL ABOUT FAMILY.

PREPARE FOR THE UNEXPECTED

A sudden death or accident can change everything for your family. Life insurance together with Accidental Death and Dismemberment (AD&D) insurance helps keep you covered in case of an untimely death or accident. With a lump sum payout, Life and AD&D insurance can help provide income and financial support to help your family with:

Immediate costs

- Burial
- Funeral expenses

Ongoing bills

- Rent/mortgage
- Auto loans
- Credit card debt

Future expenses

- College tuitions
- Retirement savings
- Elderly parent care

PLANNING AHEAD COULDN'T BE EASIER

AD&D insurance also pays partial benefits if you lose your sight, hearing, a limb, the ability to speak and more in a covered accident. AD&D benefits are paid in addition to any life insurance you may have and can be used to pay for daily living expenses and other needs.

CASE STUDY³

THE UNTHINKABLE

Marilyn was a resourceful mother of two who was almost finished taking graduate classes at a nearby college while working full time. Although she didn't want to think about it, she knew how important it was to have Life and AD&D insurance, and purchased it through her employer.

Driving home from class late one night, a distracted driver sideswiped her and she passed away from her injuries.

Marilyn's death was a huge loss for her family. But, because of her foresight, Marilyn's Life and AD&D policy helped. With the Life insurance payout and the additional disbursement from AD&D insurance, the family was able to afford her burial expenses, pay off her student loans and establish a college fund for her children.
